

PE Exemption Quick Guide

- For VARSITY, JV and NOVICE Teams ONLY
- For SOPHOMORES and JUNIORS ONLY
- Student should participate as either an active or visual participant for at least 95% of the scheduled activities. For most teams, at 5 days of activities per week, for 13 weeks, that would equal 65 events for the season. The 95% rule would allow the student to miss 3 events and still meet the Exemption Requirement. (Exception: Student misses beginning of the season due to playoffs from a previous Valhalla Sport.)
- Student MUST remain eligible for the ENTIRE SEASON.
- PE Exemption is a WAVIER. Students do not earn credit for PE. They must replace those credits with an elective of their choosing.

Directions for Completing the Form

- Draw a line through any player who has dropped or was ineligible at any point during the season. Do not assume that the athlete was ineligible if it says it on the roster you receive. The student may have had a grade change that was not changed on that particular report.
- Write a “V” or “JV” next to every player who is left and completed the entire season with you.
- Next, go back and add an “E” next to the athletes who deserve the PE Exemption.
- The computer will automatically restrict the exemption from being granted to the 9th and 12th grade students.
- For 9th grade teams, draw a line through any player who has dropped or was ineligible at any point during the season. These athletes will show that they completed your sport on the transcript, but will not receive an exemption.
- Return all forms to the Site Support Technician (SST)
