CHROMEBOOK WARRANTY PROGRAM

Grossmont Union High School has partnered with Trinity3 Technology to provide warranty coverage for Chromebooks.

Grossmont Union High School District would like to thank you for participating in our 1:1 technology initiative. In an effort to support sustainability of the program we are providing a device warranty program that covers 100% parts and labor, accidental damage, as well as theft. Warranty coverage can be purchased yearly, or in multi-year offerings at a discount and District staff will handle claims. For those students/parents that do not opt-in to the warranty program, the student shall be responsible for reparation equal to the current replacement cost of the materials and/or repairs. Failure to pay school fines may result in the withholding of grades, extracurricular activities, or transcripts. Below you will find a link to the warranty purchasing portal.
